The new **22 V Lithium cordless electric broom by Ariete** has been designed to perfectly vacuum any surface of the house at any time, identifying even the most hidden dirt, thanks to **the motorised brush with LED lights**. The 2 in 1 technology allows you, in no time at all, to transform the electric broom into a practical and easy to use handheld vacuum cleaner, allowing you to clean the whole house quickly and comfortably. Thanks to the **3 levels of filtering**, the **22 V Lithium** cordless electric broom vacuums dirt from the whole house, effectively dealing with even the finest residues and releasing cleaner, filtered air. Moreover, you can empty the tank directly into the bin with a simple click, avoiding dispersing dust and dirt in the air.

The 22 V Lithium comes complete with **a comprehensive accessories kit including**: Fabric accessory, effective for reviving and vacuuming sofas and armchairs. Crevice tool to reach the most hidden corners. Wall mount that allows you to conveniently store the cordless electric broom and always have it at hand to use it when you need it most.
