Ariete's **22V Lithium cordless electric broom** is designed to perfectly vacuum any surface in the house at any time, identifying even the most hidden dirt thanks to **the motorized brush with LED lights**. The 2-in-1 technology allows you to transform the electric broom into a practical and **handy handheld vacuum cleaner** with a few simple steps, to clean the whole house in a comfortable and fast way. Thanks to **the 3 levels of filtering**, the 22V Lithium cordless electric broom sucks dirt from the whole house, effectively retaining even the finest residues, and **releasing filtered and cleaner air**, moreover with a simple click, **you empty the tank directly into the bin** avoiding to disperse dust and dirt in the air. 22V Lithium is completed with the set of accessories supplied including:

- **Fabric accessory**, effective for reviving and vacuuming sofas and armchairs
- **Spout for crevices**, to reach the most hidden corners
- **Support for attachment to the wall**, which allows you to conveniently store the cordless electric broom and always have it at hand to use it when you need it most
