

## CAFÈ NOVECENTO

**Model:** 1387/20

**Code:** 00M138720AR0

**EAN:** 8003705112407

Espresso coffee machine boasting an elegant, sophisticated line with body made entirely of chrome-plated metal, complete with top quality finishes and details. Its professional brass filter holder with Thermocream System dispenses an intense and creamy coffee like the one you find at the bar, while milk is whipped in just a few seconds with the Maxi-Cappuccino device. Thermometer in clear sight, removable tank and removable coffee grounds drawer for easy cleaning.
