Model: 0447/20
Code: 00C044720AR0

Cordless, lightweight and easy to handle, Grati 2.0 has kept all of the traditional functions that have made it the name in rechargeable electric graters. However, now it is even easier to use. The new upright SPACE SAVER base takes up a minimum of room on the counter top. A lengthy autonomy means Grati 2.0 can grate up to 1 kg of cheese and not only, it is also excellent for grating nuts, chocolate and dry bread! A handy way to dose portions perfectly and straight onto the plate. Parts are removed easily for cleaning and are dishwasher safe.
