

MULTICOOKER TWIST

Model: 2945/00
Code: 00C294500AR0
EAN: 8003705114548

With the Multicooker Twist, a new precious ally for your table steps into the kitchen. The Multicooker Twist, in fact, contains multiple cooking accessories in a single appliance: electric pan, deep fryer, steamer, yoghurt maker and oven. The distinctive element of the product is most certainly the automatic mixing blade, which allows you to mix the ingredients as they cook, without having to manually stir everything. The inner pot, coated with non-stick ceramic, can be removed and features integrated handles for easy removal. The temperature range varies from 35 °C to 180 °C and is able to guarantee excellent fried foods, as well as delicious and tasty yoghurt. With its simple and intuitive display, the Multicooker Twist offers 30 preset programs and an infinite number of customisable programs. Thanks to the recipe collection, the Multicooker Twist will help you put delicious dishes on your table: pastas, risottos, soups, main courses, desserts, yoghurt, steamed foods, bread and fried foods. The Multicooker Twist cooks and mixes, all you have to do is taste
