XVapor Comfort is the super compact and lightweight multi-purpose steam cleaner by Ariete designed for daily house cleaning. Germs and bacteria can lurk on any surface, such as floors, bathroom, fixtures, hobs, but also sofas, curtains and carpets, which is why Ariete has decided to equip the steam cleaner with a vast kit of interchangeable accessories, which are suitable for deep cleaning, even the most hidden corners.

In fact, with XVapor Comfort you will find: extension to reach the highest points of the house, degreasing spout, brush windows cleaner, 2 large and small round brushes, 90° spout ideal for sanitizing radiators, fabric brush with hood cloth for sofas, mattresses, curtains and microfibre cloth for floors and carpets.

The advantages of using steam for home hygiene are many: steam is a natural sanitizer, which kills 99.9% of germs, bacteria, mites and allergens, making your home safer for you and your family. Steam is ecological because it doesn't need chemical detergents or detergents to breathe its cleaning power: you don't pollute the environment and you save money, because with only tap water you can clean the whole house effectively.
