The **Moderna** Line **American coffee machine** has been designed to prepare delicious **American coffees** at any time of the day. Set the coffee brewing using the **LCD display** and wait for the coffee to be brewed. Thanks to the **heating base**, your American coffee stays hot until you want to serve it. With one brew you can serve **up to 15 cups of coffee** thanks to the capacity of the **tempered glass jug**. The water level is visible, and the filters are removable to ensure easy and effective filter cleaning.
