Thanks to its **cordless base** and **keep-warm function**, this electric moka pot is perfect for relaxed breakfasts, to be enjoyed slowly as if you were on a sea-view terrace on holiday. Whether alone or with others, the moka pot Capri adapts to your needs, preparing **up to 4 cups of coffee**, and the "keep-warm" function keeps the coffee hot for 30 minutes. The moka pot switches off automatically once the coffee is ready, thanks to its **auto-shutoff function**, ensuring safety and energy savings.
