

ICE MACHINE

Model: 0651/00
Code: 00C065100AR0
EAN: 8003705126114

Never run out of ice at your parties again: **Ice Machine** is a compact and powerful **ice maker**: the perfect solution for your home, office, or camper. Thanks to its high-efficiency compressor, it produces the first ice cubes in less than 10 minutes, ensuring your drinks are always cold without long waiting times.

Ice Machine produces **9 ice cubes in 6-10 minutes**, and you can choose between **2 available sizes**: small (perfect for smoothies and quickly cooling bottled drinks) and large (ideal for cocktails that should not get watered down).

The ice maker has compact dimensions but features a large **1.4L water tank** inside, capable of producing **10-12 kg of ice in 24 hours**. The ice maker is equipped with a **self-cleaning function** that ensures hygiene and consistently pure ice.
