

STEP UP

Model: 6190/00
Code: 00S619000AR0
EAN: 8003705124493

The **Step Up iron** features the **automatic lift system** (“Step Up”): the **three smart feet** (two at the front and one at the back) automatically extend from the soleplate as soon as you let go of the handle, lifting the iron and raising it off the surface. As soon as you pick up the iron again, the feet retract, and it’s ready to use. **No more burns**, no more stress.

In addition to security, it offers high-quality performances:

● **Smart Temp technology**: there is no need to adjust the temperature anymore. A single, perfect setting will iron everything from jeans to silk, linen and cashmere, with no waiting time or need to sort your laundry;

● **Power and steam**: With a power output of up to 2400W (at 230V), it delivers a continuous steam flow of 30g/min and a powerful 155g steam boost for the most stubborn creases;

● **Superior smoothness**: The ceramic soleplate, featuring 57 holes and “hot points”, ensures even distribution of heat and steam.

It features professional and technological functions to optimize efficiency and performance: self-clean, anti-drip, auto-shutoff, and a spray function.

Product specifications	
Power	2400W
Ultraglide ceramic soleplate	57 holes
Tank	320ml
Automatic lift	the iron automatically lifts if it is not handled
“Smart Temp” technology	it adjusts to any type of fabric
Continuous steam	30g/min
Steam boost	155g
Self-clean	✔
Anti-drip and anti-scale	✔
Auto-shutoff	✔
Spray button	✔
Steam adjustment and vertical steam function	✔
Lever on the back to disable the auto-lift function	✔
Product length	31.00 cm
Product width	12.00 cm
Product height	15.00 cm
Product weight	1.44 Kg
Box weight	1.80 Kg
Master weight	11.50 Kg
Master pieces	6
Pallet pieces	96
20 container pieces	2250
40 container pieces	4680
40H container pieces	5616
