Gourmet essence is the kitchen machine that makes all kinds of recipe easier and faster. It kneads, mixes and whips ingredients perfectly. It is ideal for those who like to experiment with new recipes. Thanks to its 1300W of power and the 5.2L capacity of the stainless-steel bowl with handle, it allows you to process a large amount of dough with the different accessories available: with the whisk you can whip ingredients for cakes, with the dough hook you can process harder doughs and with the beater you can mix ingredients for soft doughs. You can add ingredients directly into the handy lid opening even while Gourmet Essence is operating and adjust the processing with the 10 speeds + Pulse.

You add the ingredients, Gourmet Essence does the rest!
