

22V LITHIUM DIGITAL PANEL

Model: 2704/00
Code: 00P270400AR0
EAN: 8003705123946

The lightweight and handy cordless electric broom has been designed for quick and effective cleaning in every corner of your house. With its dual function, broom and vacuum cleaner, you can easily move from large surfaces to small spaces, removing all kinds of dirt. You can also use the included accessories: bristle brush, nozzle. The digital panel allows you to adjust the power according to the type of floor and to check the battery life. The cordless electric broom has a motorized brush with front lights to capture dust and dirt even in hard-to-reach areas and where visibility is less clear such as under furniture or in dark corners. Don't be afraid to stop in the middle of cleaning, because the 1L tank capacity means that you can finish before you need to empty it. You can choose between maximum speed (for a duration of 20 minutes) and minimum speed (for a duration of 40 minutes).

There is a wall mount that allows you to conveniently store the electric broom and fully recharge it in 4 hours.
