Refined design and cutting-edge functionality to transform your kitchen into an oasis of beauty, the **Mediterranean charm of this line** is inspired by the **unique and vibrant style of the beautiful island of Capri**.

The electric toaster of the Capri line by Ariete **toasts 4 slices** of bread at the same time, without clamps, with **2 separate compartments** and the possibility to choose the browning level and toasting of the bread that you prefer, thanks to the 6 levels that can be selected using the knob. Slices are **automatically ejected** once toasted, avoiding unpleasant burns, and the cold walls guarantee maximum safety during use. By toasting **2 slices of bread** at the same time, you can quickly prepare toasted bread for your American breakfasts or brunches with friends, but that's not all: with **Ariete's Capri Toaster** you can also activate the defrost function to defrost in a few moments and toast sandwiches and stuffed sandwiches, for tasty snacks or quick lunch breaks.
