

B-CHEESE - CHEESE AND YOGURT MACHINE

Model: 0615/00

Code: 00C061500ARO

EAN: 8003705117990

B-Cheese is the first and innovative machine that allows you to prepare tasty fresh cheese and yoghurt using only natural ingredients!

Ideal for lactose intolerant and vegans, it is intuitive and easy to use thanks to the practical cookbook containing recipes specifically tested by a professional chef: from ricotta to mozzarella, from stracchino to fresh cheese, to Greek yoghurt and many other delicious preparations. Just try it, to believe it!
