Vertical grill. The Steak House Grill is the vertical grill that enables you to cook steaks up to 4 cm thick, chicken, sausages, chops, hamburgers, vegetables, bread, fruit, fish etc. in a healthy, tasty way. Thanks to the vertical cooking system, any fat drains down into the special tray and doesn't ever come into contact with the internal heating elements, thus avoiding the creation of unpleasant smoke. Try out and enjoy your meals with the Steak House Grill.

Cook in a healthy and tasty way: the vertical cooking system allows the fat to strain into the tray, your meat will be lean and light

Zero smoke and bad smells: the resistance never comes into contact with food, this reduces the emission of smoke and odours

Joy on the table: prepare rich grilled meat, fish, bread and vegetables to share and enjoy with family and friends!

Steak up to 4 centimetres: the grill can be opened and allows steaks to be cooked to perfection up to 4 centimetres thick. Enjoy your barbeque!

Easy to clean: the internal parts are easily removable and washable to completely eliminate any food residue
