No corner of the house will be spared. With **Ariete's Vaporì Jet** handheld steam cleaner you will manage to deep clean even the most awkward corners in your house, relying **on the natural effectiveness of steam against germs and bacteria**. Thanks to the ample **kit of accessories supplied**, you will be able to sanitise the surfaces of your house in little time using the Vaporì Jet, creating a **safe environment** for yourself and the whole family. The 100° steam sanitises completely, **eliminating 99.9% of germs and bacteria**, in a completely natural way with no need to add chemical detergents to plain tap water. The Vaporì Jet reaches the 100° temperature required to emit steam in just 3 minutes and provides 8 minutes of continuous steaming time. The accessories supplied with the Vaporì Jet are:

- brush with cloth ideal for sanitizing and refreshing home textiles, such as curtains and sofas;
- extension and window cleaner accessory for cleaning glass, mirrors, windows and shower stalls easily and without leaving streaks;
- injector nozzle to remove stubborn and encrusted dirt, such as that of the kitchen hob;
- 90° angled spout to reach and clean the most hidden points of the house, such as the back of the radiators;
- multi-purpose round brush to scrape and sanitize any other surface.
