

KETTLE 1,7L BREAKFAST

Model: 2846/00

Code: 00C284600ARO

EAN: 8003705121966

For **breaks and breakfasts** full of flavour, the Kettle from the Breakfast Line is ideal. Bollitore Breakfast brings water to the boil in a **few minutes** and your hot drink will be ready to be served directly at the table. With the **360° cordless base**, you can serve tea, infusion or herbal tea directly in your favorite cup.

The Breakfast kettle is practical and safe: it features **automatic shut-off** once the water has boiled, a safety lid and **visible water level**. Inside the kettle under the spout, the removable and washable limescale filter.
