

ESPRESSO MACHINE 1380

Model: 1380/10
Code: 00M138010AR0
EAN: 8003705120341

Perfect for your kitchen and to satisfy your taste, **the 1380 coffee machine** is ideal for enjoying a precious break with taste and elegance. **The slim and compact design** makes it unique for every kitchen: **only 14 cm in width** that adapt to any corner of the kitchen, without sacrificing space for other appliances.

For short moments of pause, prepare a coffee with an intense flavor thanks to the 15 pressure bars to obtain a perfect delivery of both the ground coffee and the pod, but also for a rich breakfast to which you can add a creamy cappuccino **thanks to the Maxi-Cappuccino device**. Choose your drink and **adjust the height of the drip tray** according to the cup you prefer.

For those who love delicate flavors, the 1380 machine has a **hot water dispenser** to prepare teas, **infusions and herbal teas** of your favorite flavors.
