

DRIP COFFEE MACHINE BREAKFAST

Model: 1394/00
Code: 00M139400AR0
EAN: 8003705121959

Prepare your **American Coffee** directly at your home. Drip Coffee Machine allows you to prepare a quantity of coffee equal to **12 cups:** add a quantity of water equivalent to the number of cups desired, insert the ground coffee with the dispenser supplied and activate the machine.

Once ready, the non-stick coated hotplate on which the carafe sits **will keep your coffee hot**. Thanks to the **anti-drip device** you won't have to worry about excess drops.
