

DUAL STEAM SCRUB

Model: 4178/00
Code: 00P417800AR0
EAN: 8003705124295

Make your house perfect with **Dual** Steam **Scrub**, the steam mop that shakes up floor cleaning by halving the effort. Specifically designed for all hard floors (tiles, marble, wood, stone), this innovative solution combines the efficiency of steam withe the **power of two rotating cloths**: twice as efficient as a normal steam mop in the stubborn stains.

Why Dual? Because it is the steam mop that combines two important elements: steam and rotation.

Why Steam? Because it uses just the power of steam without adding chemicals.

Why Scrub? Because, thanks to the two rotating cloths, it scrubs on the floor to remove stubborn stains.

With a 1200W power, the two rotating cloths and a 60W motor, Dual Steam Scrub vaporises and scrubs at the same time, thus dissolving and removing the stubborn dirt, dust, grease. All this just with the power of steam, **without adding chemicals**, thus ensuring a deep and natural hygiene.
