

SANDWICH MAKER BREAKFAST WOOD

Model: 1971/06
Code: 00C197106AR0
EAN: 8003705126237

Geometric rigor, clean lines, and minimal elegance. Taste the perfect crispiness of your daily preparations with the **Sandwich Maker Breakfast Wood**, your ideal ally for functionality and home harmony.

This sophisticated appliance breaks away from the cold aesthetic of traditional small appliances: the true main feature is the large, sturdy handle, beautifully enhanced by a **refined wood-effect finish**. This highly realistic, technical texture adds warmth and softness to the appliance, elevating it to a decorative piece for your kitchen countertops.

With this efficient electric grill, you can prepare and toast your slices of bread in just a few minutes. The **non-stick plate** with its specialized coating prevents ingredients from sticking, distributing heat evenly for flawless browning. The Breakfast Wood Sandwich Maker is incredibly practical and safe, featuring dual power and ready indicator lights. Furthermore, the surface of this plate allows for **quick and easy cleaning**, making it instantly ready for its next use.
