

TOASTER 2 SLICES BREAKFAST

Model: 0157/13
Code: 00C015713AR0
EAN: 8003705122109

Enjoy the **crunchy taste** of your toast prepared with Toaster from the Breakfast Line, the perfect ally. With Toaster Breakfast you can prepare 2 slices of bread at the same time, thanks to the double slot, in just a few minutes. You can choose from the **7 browning levels selectable from the knob** and, once ready, you can take out the toasted slices of bread thanks to the stainless steel pliers. If you want to stop the operation immediately, you can use the **Stop button** and your toasts will come out immediately without waiting for **self-ejection**.

Breakfast Line Toaster is practical, safe and easy to clean: it has cold anti-hot walls for maximum safety during use and a removable crumb tray for quick and easy cleaning.
