Do you dream of a house, which is not only clean, but also sanitized without using aggressive chemicals? **XVapor Deluxe** relies only on the extraordinary effectiveness of 100 ° steam to ensure a perfect hygiene. No more expensive detergents or chemical sanitizers to ward off pathogens. The high-temperature steam is a powerful **natural sanitizing agent.** This results in a healthier house for you, your children, and your pets, with the peace of mind of cleaning without harmful residues.

Whether it is hard or delicate surfaces, wide areas or awkward corners, XVapor Deluxe is ready for anything. This **Ariete household cleaner** has been designed to adapt to every need, by thoroughly sanitizing a wide range of materials:

● **Floors**: From tiles to Gres, from parquet to marble, for an unique brightness.

● **Delicate surfaces**: Windows and mirrors will shine without streaks.

● **Fabrics**: Carpets, curtains, and sofas will be as good as new, refreshened and sanitized, free from mites and allergens.

Its **several attachments** supplied are conceived for making any kind of cleaning easier, reaching also the most stubborn and hidden areas. Every part of the kit is designed to maximise the effectiveness of steam on each specific surface.
