The Ariete 1588 Vintage Mixer is the planetary mixer with an elegant, sophisticated design which combines technology and functionality both for daily meals and for fancy patisserie creations. The motor which reaches 2400 W on maximum power, the 7 speeds and the pulse function allow it to work even the stiffest and coarsest doughs. The large 5.5 L stainless steel bowl and the 3 whisks supplied, the dough hook for kneading, the heart-shaped one for mixing and the wire one for beating, allow for a wide range of creations. The non-slip feet and the balance allow the mixer to work at high speed in a secure, stable way, without creating any mess, thanks to the splash guard lid. Ariete makes iconic and functional products: the Vintage line combines Italian design with the ease of use that is the hallmark of Ariete, the leading manufacturer of food preparation products.
