Scrumptious waffles with chocolate, summer waffles with fresh fruit and whipped cream, savoury egg free waffles with salmon and cream cheese. Any way you like them, waffles are perfect for any time of day: breakfast, lunch, afternoon snack or dinner. With Ariete's Party Time Waffle Maker you can make your favourite waffles at home in just a few minutes, thanks to the non-stick plates specially designed to achieve the classic texture of waffles. The waffle maker has the unmistakable design of Ariete's Party Time line: smooth lines and pop art colours that recall the America of the 50s and its Happy Days. Discover the whole Party Time collection: transform your kitchen into a typical American diner and have fun making popcorn, crepes, waffles and candy floss. Fun is guaranteed!
